

Dear Eugene White,

We would like to thank you for helping us in our desperate situation. It was such a blessing to us and our family. We truly want people to know your integrity and your ability to help when it looked hopeless. We were behind on your mortgage, and we were not at all sure if you could help us or not. And when you called me and said you were ready to go with the deal, we were overcome with joy. Your ability to take care of everything took the stress off us. And we were able to go on with our lives. We would like to encourage all the folks that make that call to MIG to give this company a ~~second~~ chance and just watch what they can do. They were the answer to our prayers. And we thank God for them and you will too.
