

Dear Mr. White,

We would like to thank you for the wonderful experience we have had working with your Metrolina Investment Group. My wife and I are from Pennsylvania, but have been working here in Charlotte for the past three years. We have had two children since we've been here and developed a strong desire to move back closer to our home and family.

We were not going to know if we had jobs back home until late in the year and couldn't spend much time trying to sell our house. Eventually we got the jobs, but were stuck with the house. That's when I saw Mr. White's number and decided to give him a call and see what he could do for us.

It ended up being a great decision. Mr. White was very helpful and ended up closing on our house shortly after we began discussions with him. We can't thank him enough because he has enabled us to be able to get housing in our new home. All of this would not have been possible without the Metrolina Investment Group. I would recommend their services to anyone.

Thanks again,

Scott & Michelle
